OUR WINTER **PACKAGE****PARTY SPONSOR TBC****Q4 BRAND SCREENINGS FOR 2026**

Brands Retail started out at The British Library back in 2022. Due to a fire back in 2023 we had to find alternative homes for the next couple of years at the Wellcome Museum London, and the Get Animated venue Millennium Point in Birmingham.

We are delighted Brands Retail has now returned to the British Library, an iconic UK venue, and to celebrate our winter brand screenings we will be putting on a drinks party for the industry, in the library venue.

Happy New Year... next year!
